The half-year financial statements are a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standard AASB 134: Interim Financial Reporting, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2017 and any public announcements made by Anglesey Secured Investments Limited during the half year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The accounting policies have been consistently applied and are consistent with those in the June 2016 financial report

The half- year report does not include full disclosures of the type normally included in an annual financial report.

(a) Reporting Basis and Conventions

The half-year report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The critical estimates and judgments are consistent with those applied and disclosed in the June 2016 annual report.

(b) Income Tax

No income tax transactions have been represented in the half year financial report ended 31 December 2017 due to the company having significant carried forward losses and it being currently improbable that these losses will be recouped.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF: ANGLESEY SECURED INVESTMENTS LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Anglesey Secured Investments Limited which comprises the Statement of Financial Position as at 31 December 2017, and the Statement of Comprehensive Income, condensed statement of changes in equity and Statement of cash flows for the half-year ended on that date, a statement of accounting policies and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Anglesey Secured Investments Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Anglesey Secured Investments Limited is not in accordance with the *Corporations Act 2001* including:

(a) giving a true and fair view of the company's financial position as at 31 December 2017 and of its performance for the half-year ended on that date; and

(b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.
